Perrances, July 27 .- A most destructive storm swept over this city last night. The rain poured through the streets from neighboring bills, and the Union depot was inundated with water from three to four feet deep. Pan-Handle tunnel was filled with water and rendered impassable. Much property was distrayed on Liberty and Smithfield street.s. From all side streets leading from the hill, bowlders were

low, while in many other places great holes opened In Alleghany City the fload was terrible. A sewer on Madison avenue and Vista streets bursted, inundating the whole of the upper part of the city. A number of houses were swept away on Spring Carden street, the water attaining a depth of ten feet, causing a large loss of life in this vicinity. It is re 4. M. CASTLE. J. B. ATHERTON. J. P. COCKE ported that fifty-five bodies have, so far, been recover-

ed. A large number of stables and buildings were swept away on the south side. The lass of life by the flood has been appalling. Thirty-eight bodies have been recovered in the Butchers' Run District, Alleghany county, and as many more are missing and supposed to have been There are hands that are waved when the fairr share losf. The haven at Woods' Run was fearful, and the light in mir.

It the mirage is tilled in mir.

The New England Mutual Life Insurance Co., Boston. were swept away. Nine bodies are recovered so far, and five or six are still missing. On the south side, in the Run district, eight bodies have been recovered, and 37 are still missing. Whole blocks of buildings are swept away in this district. It is thought over place was a perfect sheet of water. Several houses

are swept away in this district. It is thought over 130 persons perished in the flood. For more than a mile on the Spring Garden Avenue. Alleghany City, the marks of destruction are plainly visible: Houses are washed away and buildings thrown together in heaps. Some twenty-five or thirty slaughter-houses on this arenue were also washed away. The water rising fifteen feet, flooded the first floors of all the buildings, and in many cases the second stories. Several houses were gwept into the middle of the street, and many others carried hundreds of yards and shattered to pieces. A house containing two or three families at Rear Centre was destroyed, and the inmates are all supposed to have been drowped. In Temperaneoville the elements Eun into a boiling stream, and the norumulated waters rushed with maddened irresistible fury down "Have you got a little Indian there?" said the the valley, sweeping everything before it. The track of destruction of the flood is murked by wrecks of

large piles of floodwood and torn and ragged side hills. Several lifeless bodies have already been found, and from twenty-five to thirty persons are missing. The iron bridge crossing saw-mill run, and copes, 20,000,000 of stars can be discovered and five others were swept away. At McLaughlin's, on mapped down. This will give some idea of the the Pan Handle road, eleven persons are reported drowned; also, hundrels of cattle, horses and sheep. CUNARD LINE. DR. J. COLLIS BROWNE'S CHLORODYNE IS THE ORIGINAL AND ONLY GENUINE. THE PUBLIC ARE CAUTIONED AGAINST THE PUBLIC ARE CAUTIONED AGAINST
I the unfounded statements frequently made, "that
the composition of CHLRODYNE is known to Chemists and the Medical profession," The fact is Calorodyne was discavered and invented by Dr. J. COLLIS BROWNE (on Army Medical Staff), and so
manced by him, and it has baffled all attempts at sunyais by the first Chemists on the day. The method
and secret of the preparation have never been published. It is obvious, therefore, that anything sold
under the name, save Dr. J. COLLIS BROWNE'S
CHLORODYNE, is a progress initiation.
